

2nd February 2022

Dear Parent/Guardian,

Melton West Primary School is looking forward to a great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Payments

Payments can be made by the following means: including making payments over the phone via credit card:

- Cash
- EFTPOS (available over the phone)
- Credit Card (available over the phone)

Refund Requests

Parent request for refunds is subject to the discretion of the school and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the department's *Parent Payment Policy* and guidance, *Financial Help for Families Policy* and our school's *Refund Policy*. All of these documents are available on our website for your reference.
