PURPOSE

The purpose of the Student Dress Code is to outline Melton West Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Melton West Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- promote a sense of identity and pride, cohesion and good order in the school
- allow all students to feel equal
- prevent bullying and competition on the basis of clothing
- ensure students' appearance reflects the expectations of their school community
- enhance the profile and identity of the school and its students within the wider community
- strengthen the spirit of community within the school
- enhance individual student safety and group security
- ensure all students are dressed safely and appropriately for school activities
- prepare students for the expectations of workplaces
- encourage students to present themselves appropriately for a particular role.

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

When representing the school, students are expected to comply with this Student Dress Code and may be provided with representative clothing for the occasion.

UNIFORM AND APPEARANCE

Students can wear any uniform item regardless of gender.

General appearance

While at school, travelling to or from school or participating in school activities, students must comply with the following:

- uniforms must be clean and in good repair
- uniforms must be clearly marked with the owner's name
- additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden.

Jewellery and cosmetics

Students are not permitted to wear decorative jewellery to school. Stud earrings and sleepers worn in the ears, and watches, are the only acceptable jewellery.

Cosmetics may not be worn at school. Only clear nail polish is permitted.

Health and safety

Students with shoulder length or longer hair are encouraged to tie back their hair to help restrict the spread of lice and for student safety.

Jewellery, nails, hair accessories, and similar items that interfere with students' ability to engage with school activities safely and fully are not permitted.

Students who wear braids or locs may wear them loose, except for applied technology classes where hair should be tied back for safety purposes.

School uniform hats must be worn outside from mid-August during Term 4 and Term 1 and on any other day prescribed by the school. School uniform hats may also be worn outside of this time period, by parent/carer or student choice.

Hats are not to be worn inside.

Students are permitted to wear sunglasses during outdoor activities. Sunglasses should be close-fitting, wrap-around that meet the Australian Standards 1067 and cover as much of the eye area as possible.

PURCHASE OF UNIFORMS

Uniform items can be purchased from the Lowe's 533-555 High Street, Woodgrove Shopping Centre, ShopT118, Melton West VIC 3337. Permitted non-branded uniform items can also be purchased from department stores.

The School Council has consulted with the school community and worked to ensure the student uniform is affordable, including by allowing non-school branded items to be purchased. However, if you are facing difficulty meeting uniform costs the [Help with school costs and fees](#) page provides advice on support offered by the Victorian Government. If your child is starting prep or year 7 and is eligible to receive support via the [Camps, Sports and Excursions Fund](#), you may be eligible to access the Affordable School Uniform program through [State Schools' Relief](#).

Please contact the principal or the wellbeing team to discuss support that we may be able to provide.

IMPLEMENTATION

Melton West Primary School will ensure that this Student Dress Code is communicated to all families and students through our website and in our enrolment packs. We will assist students who may be experiencing difficulties complying with this policy where possible.

Students wearing non-compliant uniform items may be asked to change into a compliant item of clothing provided by the school.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents by the classroom teacher. If non-compliance with the dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Melton West Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that the enforcement of this Student Dress Code may impact students differently.

Students and their parents or carers may apply either in writing or in person to the principal for an exemption to this Student Dress Code if:

- an aspect of the code:
 - prevents students from being able to attend school or participate in school activities on the same terms as other students because of the [personal characteristics referred to in human rights and anti-discrimination requirements](#)
 - offends a religious belief held by the student or parents/carers
 - prevents students from complying with a requirement of their religious, ethnic or cultural background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or the parents/carers can demonstrate financial hardship that prevents them from complying with the dress code.

When the principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carer
- guarantee that issues of a personal nature revealed to substantiate the request will be strictly confidential
- encourage the student and/or their parents/carers to support their application with evidence.

The principal or delegate will then try to negotiate a resolution that is acceptable to all parties, including providing advice about support with meeting uniform costs. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents/carers.
